HAVE A BLESSED THANKSGIVING!

At this very special time of year, I want to take this time to express our profound thanksgiving to God and to you for what you have done as a pioneer in this ministry of World Christian Outreach, Inc.

Our hearts go out in great appreciation to our friends and supporters that have prayed, believed, and acted to accomplish wonderful things to behold in the work of ministry in East Africa. The glory of God has been in our midst expressing itself through the continued construction of a beautiful campus and the raising up of 100 orphans and disadvantaged kids at New Dawn Community High School in Laikipia, Kenya.

Also, through Outreach Pastors and Leaders Conferences, church leaders and their people have been greatly blessed. I just received a report today that one church in Maasailand has just doubled as a result of our WCO ministry there. Last July we conducted a Mission of Mercy ministry that included setting up of Medical Camps, distribution of bread and grain, prayer for the poor and needy, and preaching and teaching in selected locations throughout the country.

In the meantime here in America we have been putting together America for Jesus meetings in Moreno Valley, CA where local Pastors are coming together with some of their people in monthly meetings of unity and special anointing and unction from the Holy Spirit. We are praying, believing and acting for a great and mighty move of God here in our own country as well.

Our WCO website (www.wcous.org) contains wonderful articles, pictures, correspondence, and videos that you can review. Enclosed within is one of these articles "America: Awaken and Arise to the Almighty!" I am not writing off our country! I believe that the Lord is going to pour out his Spirit upon us in a tremendous and unprecedented way that we have not seen in the past 100 years. God can do anything at any time! He is not limited to man's own thinking, wealth, power, or planning. Jesus Christ transcends all that and as we pray and believe and keep our eyes upon him, he will answer our prayers as he has promised. I believe that God Almighty is going to take unusual measures to bring blessing to our land and reinstitute our Judeo-Christian values as our country began. The Muslim religion and every other religion here in the U.S. outside of Judaism and Christianity violates the very first of the Ten Commandments – "Thou shalt have no other gods before me" Exodus 20:3.

We serve the only true God. Jesus Christ is the only mediator between God and men and He alone is worthy of our praise. Let us return to loving JESUS with our whole hearts.

Thank you again for all that you have done!
