

December 2016

Dear Friends,

While many activities go on at our New Dawn High School for Orphans in Kenya and a second one being developed in Tanzania, the Gospel is going forth in our ministry as the tip of the spear penetrating the kingdom of darkness in East Africa with the light and glory of God.

WCO has been blessed to fund and sponsor Pastors and Leaders Conferences this month in Tanga, Tanzania and Busembatia, Uganda. Alongside these meetings we are also holding Open Air Crusades conducted by Evangelist Sohail Peter and his worship leader, Charles Peter from Lahore, Pakistan. We flew them in from Pakistan to East Africa to join Pastor Ron Sukut, our Director of New Dawn Tanzania.

Tanga, Tanzania is 75% Muslim and Brother Sohail ministers to these people in his home country, where many Muslims are getting saved and healed by the love and power of God in Jesus Christ.

Please see the attached flyer/poster that is advertising the meetings.

We thank you for your prayers and financial support to enable these wonderful meetings to take place.

Blessings always,

Stan
