PRAYER REQUESTS

- (1) Our first World Christian Outreach ladies team of four, led by Nancy Smits, will be departing for Kenya on Sunday March 8th. They will be flying through London and then on to Nairobi, arriving on Wednesday, March 11th. The ladies will be interacting with our New Dawn students – teaching them baking, sewing, photography, artistry, and personal health. They will also go into a rural town to conduct a 2 day teaching seminar for women from several churches, as well as visiting schools in the area. This is very significant ministry and represents a breakthrough into new ministry opportunities for the future.**
- (2) Pastor Harold Anderson and Evangelist Dan Wagner will be representing our ministry as they go forth at the same time; but into the remote area of Maasailand for 5 days conducting teaching seminars for African Pastors and Church leaders, and then on to Tanzania for 3 more days of teaching conferences. Pastor Harold then goes on to the city of Mombasa on the Kenya coast to present his Higher Ground Bible Correspondence course to Prison Chaplains and Dan Wagner goes to New Dawn in Laikipia to speak to our orphan students.**
- (3) Please pray for James Kariuki and Kennedy Kamau who will be the ministry hosts and leading these teams to their ministry areas.**
- (4) Please also pray for James and Eunice Kariuki as they leave Africa with the teams on March 25th for five weeks of ministry and rest time here in California until May 4th.**
