WE GIVE THANKS FROM A GRATEFUL HEART

This is to inform you that we were able to raise the funds necessary to place George and Nyambura's (they both recently died) two oldest children in our New Dawn High School for Orphans and place their two youngest children in the safe care of family members. Thank you so much for what you have done!

May the Lord especially bless all those of you who contributed to the stabilization of the children after this major catastrophe in the family. We also had young people raising funds from selling drinks and candy bars (our own George and Eunice raised \$148.29 from sales at their schools).

Enclosed are outreach ministry reports which have been conducted in the last seven months. We continue to make a major impact for Christ through conducting Pastor's/ leaders and ladies conferences in East Africa. The Gospel is going forth in a wonderful way and we Praise the Lord for the privilege and opportunity to give our lives for His service.

This summer three more team groups are going – (1) a medical mission outreach team of 9 from First Christian Church of Napa, CA (2) Pastor Ron Sukut and George Herpick to New Dawn to build a new basketball and volleyball court, with the help of the New Dawn graduating senior class students, and (3) A WCO International Youth Group team of 17 headed up by Pastor Jack Clark to conduct Youth Vision Camps in three rural areas.

George and I are planning to leave July 1st for Africa. We are still praying for the funds needed for George's trip (\$3,400), so if the Lord leads you to help in this, we would be very grateful!

Finally, Romans 8:11 says – "But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you." I believe that the context of Romans 8 continually confirms that these words are for us NOW and that we can believe God for personal healings and those needs that we have in the inner man.
